

Registering Your New Offroad Grit RV – What You Need to Know

Whether you're collecting your caravan from our Queensland facility or having it transported to your home state, here's how registration and insurance works.

Collecting Your Van in Queensland

If you're picking up your Offroad Grit RV in person from our Queensland location, your caravan will be registered in Queensland with 12 months of QLD registration.

After handover, you're welcome to transfer the registration to your home state at your convenience.

Interstate Customers (Van Freight or Transported Home)

If your van is being delivered to you outside Queensland, it will arrive **unregistered**.

You'll need to arrange registration through your local state or territory transport authority. Each state has different rules and paperwork, so please check their requirements before your van arrives.

ID Requirements for Registration Through Offroad Grit RV (QLD Pickup Only)

Queensland Residents

You will only need a valid *physical* Queensland driver's licence.

- If your home address has recently changed, please ensure your licence is updated *or* bring an official confirmation letter from TMR.

Interstate Visitors Picking Up in QLD

To make handover smooth and simple, please bring **three forms of physical ID**.

Digital versions cannot be accepted.

Accepted documents include:

- Driver's Licence
- Proof of Age Card
- Medicare Card
- Passport
- Birth Certificate

After Your Van Is Registered in QLD

We cannot distribute physical registration papers.

To transfer or manage your registration, please follow the process below:

1. Allow **2–3 weeks** after handover for TMR to process paperwork.
2. Call TMR on **13 23 80** (Mon–Fri, 8am–5pm) and request your **CRN number**. We apply for this on your behalf.
3. Provide TMR with your caravan's registration number issued at handover.
4. Once you have your CRN, you can apply for your registration certificate through the online TMR portal.

Registering Under a Business Name

We can only register your caravan under a **personal name** due to QLD transport licensing restrictions.

If you wish to move it into a business name later, you'll need to do so through your local transport department after handover.

Personalised Plates

If you already have personalised **trailer/caravan plates**, please send them to us at least **1 month before handover** so we can prepare them for registration.

- Car plates cannot be used
- If you haven't received your plates yet, contact us one month before handover so we can plan accordingly.

Insurance

Once your final invoice is issued, you'll receive your **VIN**, allowing you to arrange insurance for your new caravan.

You can choose any insurer you prefer.

Need Help?

If you have any questions about registration requirements, documentation, or what you need to bring on handover day, our team is here to help.
